Continuation of 2. NOTE: Newly amended claims 1, 54 and 55 raise new issues requiring a novel search and further consideration because now they recite the new limitations "structure" (claim 1), "after" (claim 54) and "during knitting of" (claim 55).

Continuation of 5. does NOT place the application in condition for allowance because:

Applicant's arguments are drawn to a proposed claim amendment which is not being entered.

Thus, the arguments are not commensurate in scope with the claims.
